We are always accepting donations at our Titans Feeding Titans Food Pantry and we sincerely appreciate your time and generosity to our campus community! Some of the most popular items that are requested, but limited to, are listed below!

There is a bin located outside of the food pantry (Fine Arts Building, room 111) where you can place your donations if the food pantry is not open or if you prefer to donate anonymously. We check the bin daily so donations can be promptly placed on our shelves for our campus community.

If you would like to contact a staff member directly for your donation, please contact:
