The Leader's Training Course is the Army ROTC Program entry point for those students without prior military or basic course experience. Through the Leader's Training Course, students can examine the Army without incurring an obligation, and qualify for the ROTC Advance Course entry and two-year scholarships that provide for tuition, books, and fees for its recipients; as well as for a monthly stipend between $450 - 500 per month.

The Leaders Training Course is a 28 day long course taught at Fort Knox, Kentucky and incorporates a wide range of subjects designed to develop/assess
leadership and officer potential and qualify Cadets for progressing into the Advanced Course. The challenges are rigorous and demanding, both mentally and physically, and will test intelligence, common sense, ingenuity, and stamina. These challenges provide a new perspective on an individual's ability to perform challenging tasks and to make sound decisions in demanding situations.

While at the course, the student is trained, fed and housed at the expense of the government. In addition, the student receives a salary during the four week program.

For more details, contact the Recruiting Operations Officer at (574)631-6986 or at 1-800-UND-ARMY for more information.
