If IU e-Texts are not used for this class, textbooks and other materials are available at your home campus bookstore.

BIOL-L 111 is an online-all majors course which fits in the BIOL-L L111/L112/L113 sequence. L112 is offered at some other IU campuses and in the ACP program. It covers material covered by introductory biology courses which various transfer students may already have, needing only L111 to complete lecture materials and L113 (which IUS offers in Fall semesters) to complete the introductory sequence. It is not a non-majors course. It has been submitted for General Education approval at IUS. Kinds of students who would fit well into L111 at IUS: 1) those with L112 or planning to take it at other IU campuses; 2) those who have taken or are taking L112 through the ACP program; 3) those transferring to IUS with the equivalent of L112 or L112 itself; 4) some Metroversity students or other certain transfer students not planning to take L101/L102 or L100 at IUS. BIOL-L 111 does not fulfill, and is not equivalent to, BIOL-L 100 or BIOL-L 101/102 required in many Natural Sciences majors.
