

Indiana University South Bend Drug and Alcohol Abuse Prevention Program

Alcohol and Drugs

Alcohol and Drugs The possession, use, sale, manufacturing or distribution of any controlled substance, including alcohol, on the IU campus is governed by the campus' Alcohol and Drug-Free Policy; the IU Code of Student Rights, Responsibilities, and Conduct; and the laws of the State of Indiana. The Indiana Alcoholic Beverage Commission (ABC) oversees state laws regarding the possession, use, sale, consumption, or furnishing of alcohol. However, the enforcement of alcohol laws on campus is primarily the responsibility of the IUPD. IU has been designated "drug free," and the consumption of alcohol on campus is only permitted under certain circumstances as set forth by University policy. The illegal possession, use, sale, manufacture, or distribution of any controlled substance is against IU policy and enforced under both state and federal laws. The IUPD proactively enforces these laws and University policies, including state underage drinking laws. Violators may be subject to University disciplinary action, criminal prosecution, fine, and/or imprisonment. Additional information and resources can be found on Protect IU.

Underage Drinking

It is unlawful to sell, furnish, or provide alcohol to a person who is under the age of 21. The possession of alcohol by anyone under 21 years of age is illegal. Organizations or groups violating alcohol/substance policies or laws, [Indiana Code \(IC 7.1-5-7-8\)](#), may be subject to sanctions by the University. Please note that under [Indiana's Lifeline Law \(IC 7.1-5-1-6.5\)](#), students are afforded amnesty against certain charges for alcohol related crimes in connection with a report of a medical emergency, so long as they cooperate with law enforcement at the scene.

Alcohol and Drug Programs

IU is committed to promoting the health and safety of its campus community through prevention and awareness programs of drug and alcohol education and the implementation of relevant policies. IU prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol on IU property or as part of any IU sponsored activities.
